PROBLEM (Problem Statement #4)

Financial services and products today lack the innovation to address the experiential youth lifestyle.

- Robust spending on authentic experiences
- Strong online shopping habits
- Preference for non-financial features
- Youths fail to see banks as lifestyle partners

Objective

A One-stop App, Incorporating the Lifestyle of Youths

With liberal spending habits amongst the youths in various aspects, this web application is customized to integrate financial services into their lifestyle.

Endowment Plan

Small Term Loan

Long Term Loan

Unlike investments like shares or deposits, which require only a lump sum payment at the start, endowment plans require you to continue paying premiums throughout the lifespan of your plan.

These premiums are generally of a fixed amount each time you pay, although you might have the opportunity to increase or reduce your premiums if you make changes to your plan. You may be required to pay every month, quarter, 6 months or year.

COVID-19 Affecting Travel Plans

Mathdro API

Given current COVID-19 situation across the globe, this is a useful tool to track which countries are still severely impacted and advise youths on travel restrictions, so that they can defer their travel plans.

THANK YOU!
